New Accessible Parking Requirements in Effect in Texas TDLR Administrative Rule §68.104. Accessible Parking Spaces

Effective for projects registered with the TDLR on or after August 1st, 2020.
The requirements are NOT retroactive to projects registered with the TDLR prior to August 1st, 2020.

Note: The building or facility owner has the discretion to determine paint color, contrast, font types, and ISA type, color, and size.

8" max. if a separate sign.

All signs must at minimum include the language "Violators Subject To Fine and Towing" in 1 inch min. high letters.

The parking consequences sign shall be 48" min. to 80" max. above the parking surface to the bottom of the sign.

Note: The height of the parking sign required by TAS Section 502.6 is 60" min. above the parking surface.

Signs must be mounted on a pole, wall, or free-standing board.
